Dear Mona,

In my school, we just had a celebration last week. All of us had a fabulous time. The activities on that day started at 8.00 a.m. I am here to tell you about my teacher’s day celebration which was a great experience as I celebrated it with my teachers and friends. I and my classmates had decorated the school for teacher’s day celebration. This was then followed by our class parties. For the next item, the class monitors read out the Teacher’s Day message. This was then followed by our class parties.

While eating, we sang, danced and played games. Some of us presented our class teachers with presents and roses. All were very happy. The teachers and students played various interesting games. The games went on till 1 p.m. Not surprisingly, the students won most of the games. I enjoyed the whole day.

What about your celebrations? How did you celebrate Teacher’s Day? I will be waiting for your email.

Bye for now,
Salma
